## QUALIFICATION SYSTEM – GAMES OF THE XXXII OLYMPIAD – TOKYO 2020

### HOST COUNTRY PLACES

The FIBA Central Board may decide to grant the automatic qualification place to the Men's and Women's teams of the Host Country. The FIBA Central Board will determine the precise criteria **by 31.12.2018** the latest. This decision will be made **by 30.06.2019**.

### E. CONFIRMATION PROCESS FOR QUOTA PLACES

FIBA will publish the final results after each qualification event on the official website ([www.fiba.com](http://www.fiba.com)) and inform the qualified NOCs/NFs accordingly.

The NOCs will then have two (2) weeks to confirm if they wish to use these quota places, as detailed in paragraph G. Qualification Timeline. However, NOC/NFs participating at the FIBA Olympic Qualifying Tournaments must confirm their participation to the Olympic Games to FIBA should they qualify for the Olympic Games during such tournaments, at the same time as registering their team(s) for the FIBA Olympic Qualifying Tournaments, namely **by 30<sup>th</sup> November 2019**

### F. REALLOCATION OF UNUSED QUOTA PLACES

#### REALLOCATION OF UNUSED QUALIFICATION PLACES

If a quota place allocated at the FIBA Basketball World Cup (FBWC) 2019 (for men teams) or at the FIBA Zone Championships (for women teams) is not confirmed by the NOC by the confirmation of quota place deadline or is declined by the NOC, the quota place will be reallocated to the next highest-ranked NOC not yet qualified from the same continent and from the respective event where the quota place was obtained, unless otherwise decided by the FIBA Central Board.

If a quota place allocated during an Olympic Qualifying Tournament (for men's teams or women's teams) is declined by a qualified NOC/NF, the concerned quota place will be reallocated to the next highest ranked team not yet qualified from the respective Olympic Qualifying Tournament, irrespective of the continent.

#### REALLOCATION OF UNUSED HOST COUNTRY PLACES

In case the automatic qualification places are not granted to the Host Country by the FIBA Central Board, or in case the Host Country declines the automatic qualification places, FIBA will reallocate those place(s) to the next highest placed team(s) from the FIBA Basketball World Cup 2019 (the best classified men's team among those teams not directly qualified for the Olympic Games, irrespective of the continent) and FIBA Women's Olympic Qualifying Tournament (6<sup>th</sup> women team from such tournament, irrespective of the continent). In the event that Japan accepts the host country place but also obtains a quota place through another qualifying competition, the quota place will be reallocated to the next highest ranked team of the relevant competition from Asia and not yet qualified to the Olympic Games.
